

Losing your health insurance and concerned about your options?

Job loss creates many concerns, but your health insurance doesn't have to be one of them. Your employer may have offered COBRA continuation, but it's not your only option; **we're here to help.**

We provide individuals and families the opportunity to work with a personal consultant to evaluate **eligibility for governmental subsidies** which may drastically decrease the cost of insurance.

Individuals who are currently or will soon be eligible for COBRA because of loss of employment or a reduction in hours may **benefit from a broader landscape of insurance providers, plans and costs.**
